Monday, July 6th, 2020 - Knotfest.com has revealed that the legendary metal gods, **Judas Priest**, will be broadcasting their jaw-dropping performance from **Wacken 2015** as part of the Knotfest.com Concert Streaming Series on Friday, July 17th at **12pm PST / 3pm EST / 8pm GMT/ 9pm CET**. Catch all the action over on Knotfest.com

Judas Priest's full-length live concert video *Battle Cry* features the legendary heavy metal band's performance from the **2015 Wacken Festival**, where **Judas Priest** let loose this jaw-dropping show for 85,000 people in the middle of a tremendous string of shows following the release of 2014's *Redeemer Of Souls*.

What makes the show's track listing so appealing is it balances new classics ("*Dragonaut*," "*Halls of Valhalla*," "*Redeemer of Souls*") along with headbanging classics ("*Metal Gods*," "*Electric Eye*," "*You've Got Another Thing Coming*"), as well as key album tracks from yesteryear ("*Devil's Child*," "*Beyond the Realms of Death*," "*Jawbreaker*").

Originally formed during the early '70s in Birmingham, England, Priest is responsible for offering metal fans worldwide some of the genre's most influential and landmark albums (1980's *British Steel*, 1982's *Screaming For Vengeance*, 1990's *Painkiller* etc.), while helping spread metal music to audiences not normally associated with the genre (Live Aid in 1985, and a surprise appearance on American Idol in 2011), and helping popularize the now instantly recognizable 'leather and studs' look. For decades, **Judas Priest** has been one of the greatest live bands in the entire heavy metal genre. And as evidenced by Battle Cry, Priest rock harder and more ferociously than ever.

[Knotfest.com](https://www.knotfest.com) will be streaming this incredible performance on **Friday, July 17th**. You can pick up some awesome **Judas Priest** merch to celebrate from [JudasPriest.com](https://www.judaspriest.com)

The ongoing **Knotfest.com Concert Streaming Series** has already treated fans to sets from **Slipknot, Lamb Of God, Megadeth, Trivium, Behemoth, Amon Amarth, Anthrax, Kreator, King Diamond, Carnifex** and **Suffocation, Suicide Silence** and **In Flames** all of which have raised funds donated to COVID-19 relief charities

The many **Knotfest** events worldwide – **Knotfest** Festivals, **Knotfest** Roadshow Tours, and **Knotfest** At Sea – have one purpose, which is to celebrate our community of loud music, art, and culture - together. When we are unable to physically come together to do this, for the sake of the common health and safety of all – **Knotfest** is keeping the celebration going with these weekly live performances.

Slipknot and **Knotfest** welcome ALL in the heavy metal community to these events. We hope you enjoy.

In the words of Corey Taylor: Take care of yourselves, and take care of each other.
